**REPORT OF CLASSIFICATION COMMISSION  
CLASSIFICATION OF BENEFITS FOR  
DRAINAGE DISTRICT NO. 72  
WORTH COUNTY, IOWA  
2022**

We, Bruce Burdick and Merlin Bartz, landowners in Worth County, and Jacob L. Hagan, engineer are the commissioners duly appointed to classify lands to Drainage District No. 72 in Worth County, Iowa. Pursuant to our appointment we have examined every annexed parcel within the district and as recommended in the engineer's report on file in the office of the County Auditor. Each ¼-¼ section or smaller tract of land annexed to the district has been classified and the percentages of benefit each parcel derives from the district facilities have been determined.

We recommend and report six assessment schedules herein all to be used for all future maintenance and other costs of each of the separate facilities as may arise. Set beside the new schedules is a basis cost. This basis cost is assumed and should not be considered as the cost of a repair. We have apportioned this basis to the lands determined to be benefited by each named facility.

<u>New Schedule</u>	<u>Basis Cost</u>
Main Open Ditch	\$100,000
Main Tile	\$100,000
Lateral 1-A Open Ditch	\$100,000
Lateral 1-A Tile	\$100,000
Lateral 1-B Open Ditch	\$100,000
Lateral 3-A Tile	\$100,000

Accordingly, we herewith submit our report. The schedule presents in tabular form for each benefited parcel:

- 1) The names of the owners thereof as shown on the transfer books in the Auditor's office.
- 2) The parcel section, number, and description.
- 3) The number of benefited acres.
- 4) The classification or percentage of benefits derived relative to a 100% benefit assigned to the tract having the greatest benefit.

It is the recommendation of the commissioners that this report be adopted.

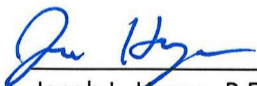

Respectfully submitted,

Bruce Burdick, Landowner

Merlin Bartz, Landowner

Jacob L. Hagan, P.E.

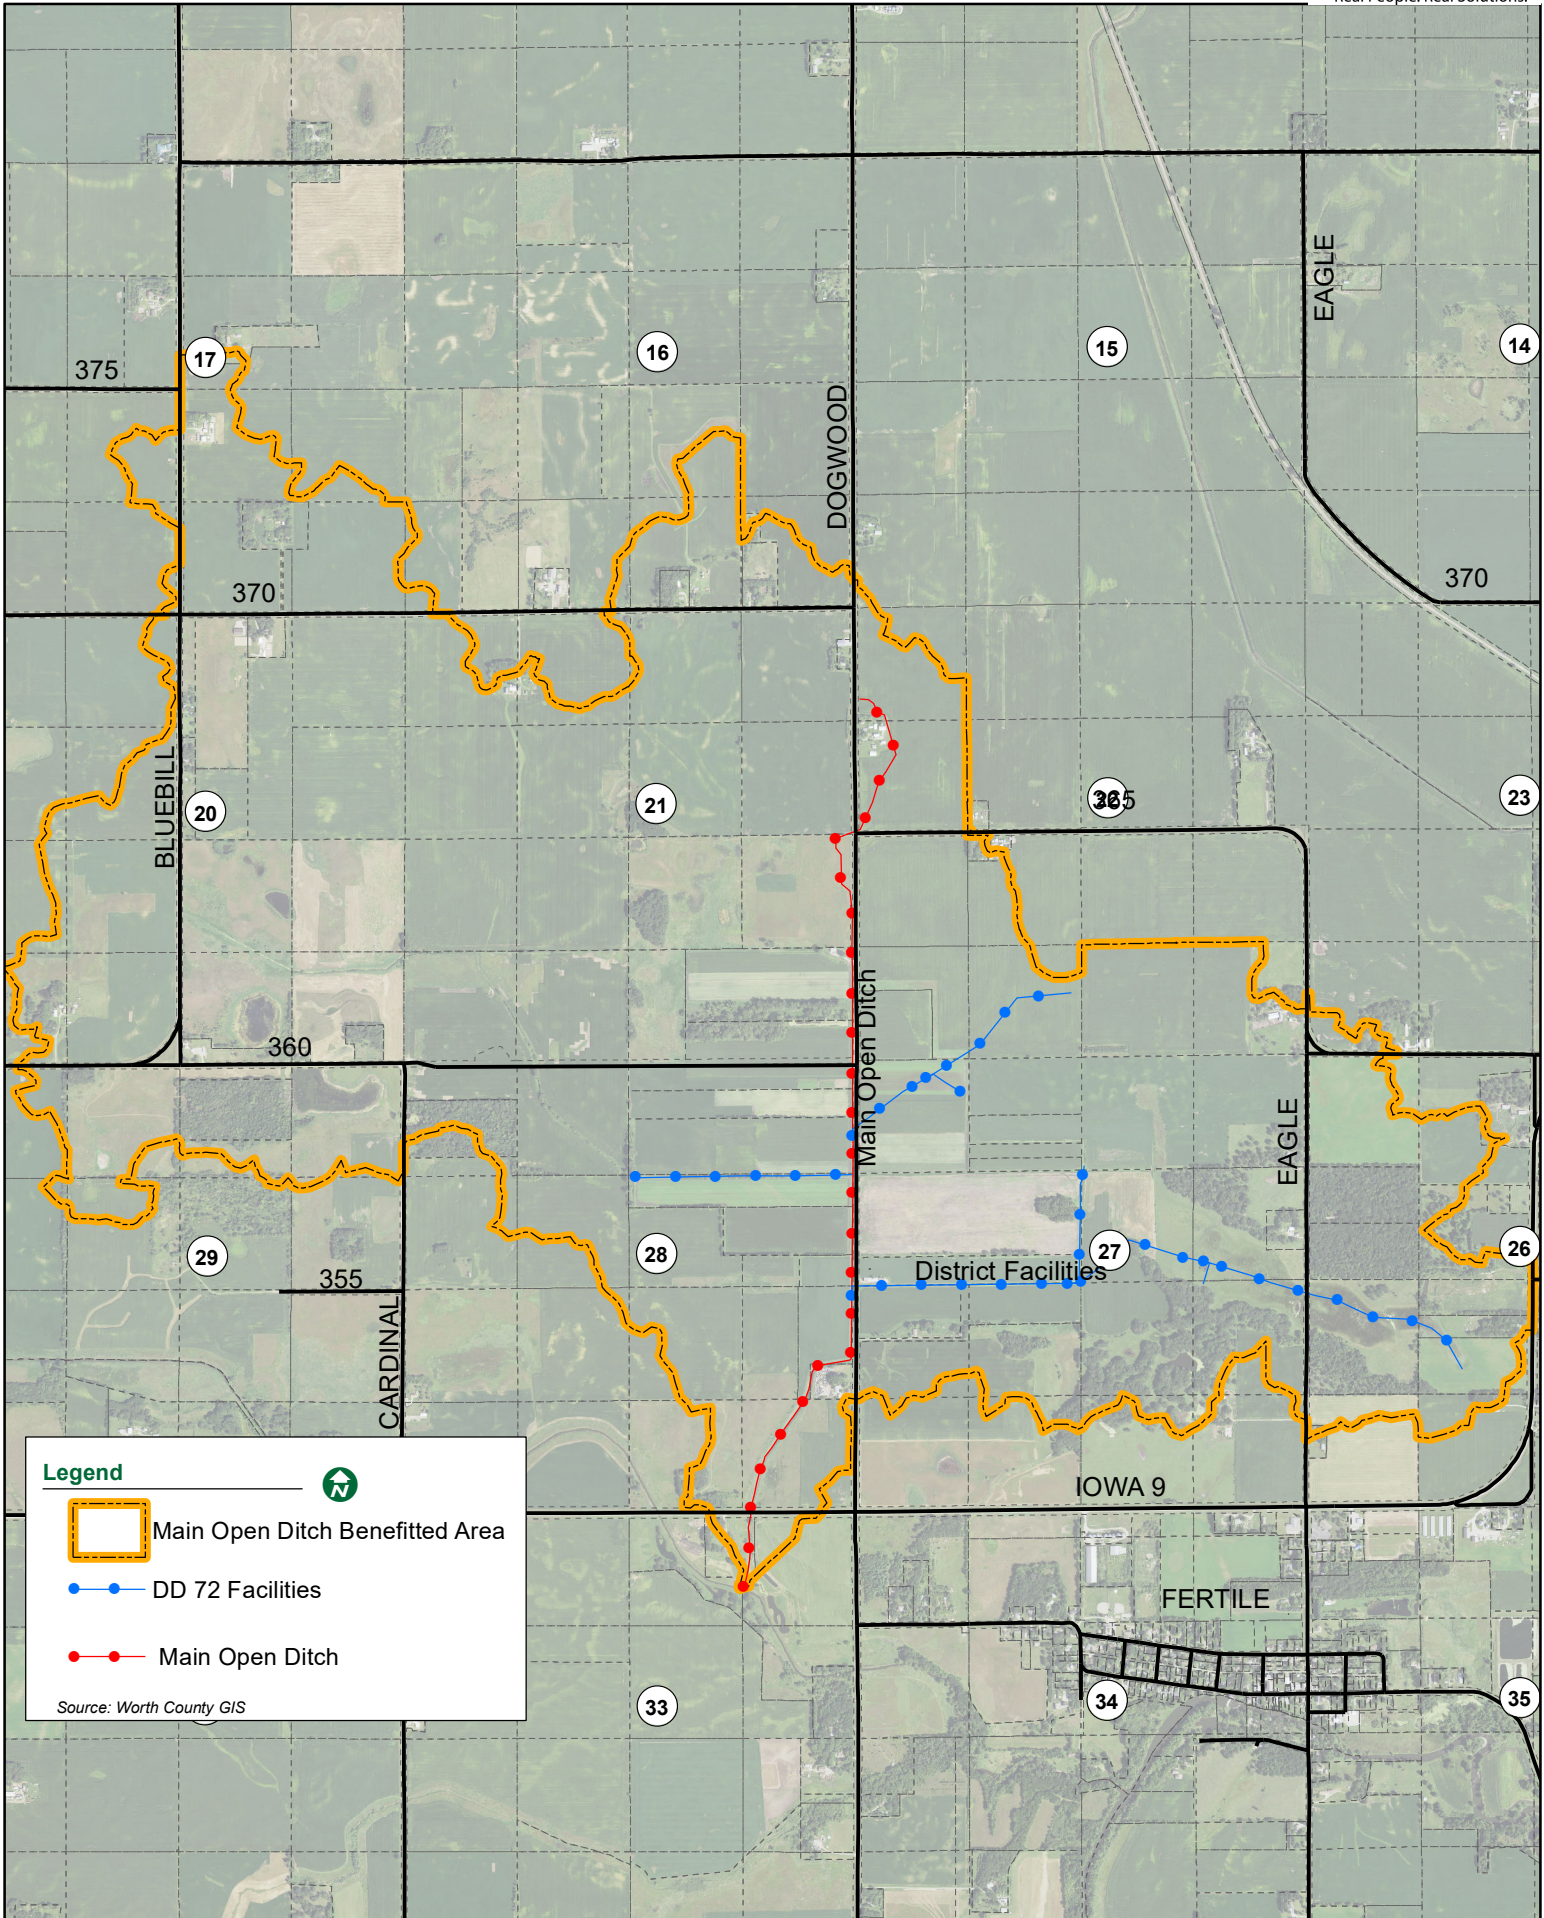

Iowa Registration No. 25738

Date
